

DEPARTMENT OF FLORIDA MARINE CORPS LEAGUE

Solicitation of Contributions

Per a recent interpretation from the Florida Department of Agriculture and Consumer Service, Solicitation of Contributions Division, Supervisor Mr. Rudy Hamrick states.

Pursuant to s. 496.406(3), Florida Statutes, Marine Corps League is exempt from registration as a Title 36 veterans' service organization.

This may not apply to auxiliaries or other related groups.

Mr. Hamrick was understanding and very helpful with what our process would be to get conformation that the Marine Corps League is exempt.

Therefore; each Detachment must call the toll free 1-800-435-7352 number, enter #4 when prompted for other, then ask to be transferred to a staff member with Solicitation of Contributions. Request for confirmation that indeed your Detachment is exempt and request a confirmation letter that the Detachment will retain for future use as proof as to being registered to solicit contributions.

Mr. Hamrick will except calls on his personal number (not toll free 850-410-3704), is not as available as the staff, but will return all calls.

This may not apply to auxiliaries or other related groups, they too will call to confirm if they are exempt and as to what process they have to follow.

Respectfully submitted,

Judge Advocate
Department of Florida MCL
