

*Department of Florida*  
*2008 Marine of the Year*  
Robert Ross

Marine Ross, a member of the Spring Hill Det 708, would be an asset to any organization. His dedication to his detachment, its members, the Marine Corps League and his community make us all very proud that he is one of our own. He has served as an officer of his detachment and is currently the Senior Vice Commandant. Bob serves on many committees and is always ready, able and willing to lend a helping hand in any project his detachment is involved in. Marine Ross is the County Toys for Tots coordinator, having been certified by the Toys for Tots Foundation and is heavily involved in that program. He is a Captain of the Spring Hill Honor Guard committing several days a week honoring those that have served in our Country's military at funerals in Bushnell National Cemetery.
