

TO: Commandant George LaMont.  
CC: Adjutant John Marsh

6th District Vice Commandant DoF  
1 Quarter Report  
Sir Commandant:

As District 6 continues to add new members, I have made a point of visiting all my detachments. With the purpose of reminding the detachments Commandants the importance of having the members attend the Fall conference and leadership class. Also the work of the Department scholarship fund, and the need to support it. Since the Summer Convention, and the District vice commandant meeting. I have work with the officers of each of my Detachments in stressing the Department and Commandants vision for the Department.

All detachments are active and conducting programs in line with the of the mission of the league.

Coming out of summer breaks I have just made the cycle of visits and found all are gaining new members and busy gearing up for Sept 11 services in their community, and the Birthday ball. I have passed along all messages sent out by your office and the Adjutant. Two detachments have appointed new VSO, Two detachments also are 100% in their dues, All should be on time.

*Andrew J Smith.*

Respectfully Submitted,  
Andy Smith 6 District Vice Cmdt.
