I was well received at Detachment 57 meeting

They have a very engaged unit, with plans for
supporting various charities(Abilities Ranch,
Southwest Guide Dogs) as well as selling Roses.

They plan on attending the District meeting and are
working on plans for Marine Corps Birthday
celebration. They have monthly firearm shoots.

They have been informed that the Volunteers of
America are looking to support veterans in need.

All of the Detachments are motivated and engaged in doing good works and fostering and growing their detachments and the MCL.
