Sir Commandant,

I have visited all of the detachments in District 8 with the exception of Brevard County within the last quarter. My work schedule does not afford me the opportunity to travel that far in time to make the meeting. I will try to get to a meeting before the next Convention. Meanwhile, my Assistant, Marine Jay Pruden will visit them next quarter. I have, however been in e-mail, phone and Social Media contact with that Detachments Commandant. All of the Detachments were updated on Department business and directives on my visits and all communications from the Department have been forwarded to each respective Commandant.

Most Detachments are planning for the Toys for Tots Campaign or providing rifle teams for military honors. Jack Ivy Detachment 666 was asked to provide an honor guard for a remembrance of the U.S.S. Liberty. They were happy and proud to render the honors. They are honored to be asked to provide a rifle salute at this year's Fall Conference. I would like to compliment Detachment Sgt. at Arms and Honor Guard Captain, Gregg Mann for always mustering the Honor Guard whenever they are called upon.

I reminded all Detachments that membership dues must be paid by 1 September. I have emphasized to all Detachments the importance of attending the Fall Conference, especially since it is being held in their back yard. I encouraged them to utilize the Leadership School to learn and pass on what they learned to their members and comrades. The detachments are now hard at work on our Corps 242nd Birthday Ball festivities and I hope to visit at least two of them this year.

Overall the District is in good shape and I look forward to performing my duties to the best of my ability. I have heard many good things in the works at the detachment meetings from the officers and members and stand ready to assist them whenever needed.

As always, I may be contacted anytime to provide assistance or answer any questions.

Respectfully Submitted  
Semper Fidelis
