Sir Commandant,

Either I or Assistant District Vice Marine Jay Pruden have visited all of the Detachments in District 8 within the last quarter. The ADV joined me at the Indian River Detachment meeting in September. All of the Detachments were updated on Department business and directives during our visits and all communications from the Department have been forwarded to each respective Commandant. Follow up emails and attachments were sent to the Detachments that had still not sent in their PLM information.

Most Detachments were planning for the Toys for Tots Campaign or providing rifle teams for military honors. Two Detachments talked about their ongoing rose programs.

I reminded all Detachments that membership dues should have been paid by 1 September. All Detachments are hard at work contacting delinquent members to bring them in compliance. The detachments are planning our Corps 242nd Birthday Ball festivities. One detachment is not holding a birthday ball of their own, but some members are planning to attend a ball held by other Detachments. ADV Pruden attended the Brevard County meeting where a birthday celebration was held with the members present. Most Detachments are participating in their respective towns Veterans Day ceremony. All but one Detachment had representation at the Fall conference in Palm Beach Gardens in October.

Overall the District is in good shape and I look forward to the District Officers meeting on 13 January at Barefoot Bay. The information and directions have been posted on the Department website. I have heard many good things in the works at the detachment meetings from the officers and members and stand ready to assist them whenever needed. In conclusion, I want to congratulate Vincent Howard Commandant of Brevard County Detachment on his appointment as the Boy Scout Liaison. I know he'll do an outstanding job.

As always, I may be contacted anytime to provide assistance or answer any questions.

Respectfully Submitted
Semper Fidelis

Mike Ambrosino
