Sir Commandant,

I was able to visit the Brevard County Detachment in January. Commandant Vinnie Howard was thorough in passing on information to his detachment members. As you know I had surgery in January and was incapacitated until just last week and that prevented me from visiting all the other detachments in my district this quarter. Assistant District Vice, Marine Jay Pruden has been traveling and I did not ask him to visit instead of me. However, I'm happy to report that all 5 detachments were represented at the District meeting at Barefoot Bay. A big "Oorah" and thank you to Detachment 918 for hosting that meeting and sharing their hospitality and excellent chow with all of us.

Although I could not physically make the meetings I have still been in e-mail and Social Media contact with the Detachment Commandants that have that means of communication. All of the Commandants were updated on Department business and directives via e-mail as those communications were received from the Department Adjutant. I was still able to forward communique from my phone as I recuperated. I have also been able to forward all the last quarter rosters to each respective detachment.

Overall District 8 is in good shape and I look forward to performing my duties to the best of my ability, now that my body is healed

As always, I may be contacted anytime to provide assistance or answer any questions.

Respectfully Submitted
Semper Fidelis
