

December 1st, 2017

To: Department of Florida, Commandant George LaMont
CC: Department Adjutant, John Marsh
From: Department of Florida Jr. Past Commandant
Subj.: Quarterly Report December 2017

Sir,

In compliance to your directive the following is a compilation of my actions during this period October through December of this year.

I attended the Fall Conference in West Palm Beach, Florida, October 5-9, 2017. At the conference, I was an instructor in the Leadership School and did attend the Past Commandants Council. In attendance was Past Commandant Lou Calleja and the Honorary Past Commandant Bob Beale. Our suggestions were offered verbally to the present Commandant LaMont and offered in writing as well. I also attended other meetings (District Vice and Commandant) and gave a report on the Injured Warriors Fund of Florida.

Since then I have communicated with officers, our members and the Department Commandant offering advice. However there has been very little other activity for me to report on, that I was directly involved in as the Jr Past Commandant. I do remain available for all issues that may arise or as directed by the department Commandant.

I would like to take this opportunity to wish all members and their families a very Merry Christmas and a Happy, Healthy and Prosperous New Year.

Respectfully and as always I remain
Semper Fidelis

William G. Cona
