Re: Quarterly Report for the Months of June, July and August 2017

To: DoF Commandant George LaMont – cc/ Webmaster

Dear Sir,

To date and since my appointment please note that I have accomplished the following activities and had the following communications with all the Detachments in District 10

- I have sent out an E-Mail Communication / Letter of Introduction to all Six of the MCL Detachments in District 10 introducing myself and offering any assistance to these Detachments I may be able to render.
- I have made or attempted to make voice connection with all Detachments and been successful with all except the Vandergrift Detachment.
- Indicated to all that as the new DoF Dist. 10 Vice Commandant I will start making my required Detachment visits after the DoF Conference.
- I have primarily concentrated on the Marathon Devil Dog Detachment in Marathon Florida after your request to make contact with Commandant Sgt. Major Michael Rhine. After repeated attempts and successfully being able to leave a voice mail message I was able to speak to Mike via cell phone and quarried him regarding the wellbeing of himself and his family as well as any known Detachment Members, to which he reported all seemed well but that he had a daunting task ahead of him as he was acting as the assistant Mayor in Marathon.

I did keep our conversation short and limited and delivered the Commandants request that he contact you as soon as possible, in that all parties within the State DoF were concerned for his and all the members and families.

- As the new Vice Commandant I have set up all electronic devices with District 10 MCL Detachment contact(s) information, names, addresses, phone numbers and e-mail addresses for rapid ease of communication and been able to do so without any difficulty due to the assistance of yourself and the Paymaster and as such have sent out several communiques to all our Detachments as the case warranted, including the highly important request for assistance forms from the Marine Corps league Foundation.
- Made purchase or attempted to make purchase of required Department Cover with Medallion and the ever needed Red Blazer and still am unsuccessful in purchasing the needed Department Cover to which I will reattempt on Monday.
- Most recently sent out today a request for all DoF Dist. 10 Detachments to provide me with their last quarterly report in an effort to subordinate this report and up-date it at the up-coming conference.
- Set up an SOP manual for my personal reference and become increasingly more familiar with the DoF Web-Site.

Respectfully Submitted
