

Devil Dogs,

Having listened to many Dogs talk of having trouble finding somebody to engrave Dog tags and being over charged (I had a jeweler try to charge me \$50 and ended up having to pay \$25) I have purchased an engraving machine.

The charge is \$10.00 per Dog Tag.

**If interested tape your tag only, to a piece of paper (no chain) and mail to me with a stamped self addressed return envelope along with the \$10.00. Send contact telephone number in case I need clarification.**

**If you have no tag**, send \$15.00 and I'll get one for you.

Mail me a stamped, self addressed return envelope along with the \$15.00. And include contact telephone number in case I need clarification.

Make sure you include:
