The roll was called with all in attendance or accounted for.

The scratchings of the Grand growl were accepted as posted on the Department web site.

Those that are sick or in distress were noted.

Reports: It was reported that the Hotel withdrew from the Spring Conf. bid so the only choice left is Det 54's bid at Safety Harbor. It was voted on and passed.

Old Business: None

The Fleas were brought in and several individuals were charged with high crimes. All were eventually bailed out and are free on bond. The income was split with the Fleas.

The growl was closed at 2030 with the usual ceremony.
