The Armed Forces Services Center (Military Hospitality Lounge) is a private lounge for our Active Duty Military, our Military Veterans, and their families located at Miami International Airport (MIA). The lounge is a comfortable place for our heroes to rest and relax while traveling through MIA. We offer beverages, snacks, Wi-Fi, TV, computers, charging stations, a child play area, and other amenities FREE OF CHARGE. And we provide a “Thank you for your service,” to all visitors from our volunteer team.

We thank Mercedes-Benz of Coral Gables for hosting our event and their support of our Military!
